

4-5 years old:

- *Disneyland* – Jump into the magical kingdom of Disney where students will learn different topics with help from their favourite characters such as Mickey and Minnie mouse. They can enjoy different themed days such as superhero day and Toy Story day.
- *Under the Sea* – Aye, aye captain! Grab your telescopes as we are setting sail across the oceans for an under the sea themed week full of singing, dancing, role- play performances, dress up, fun group activities, mermaids, pirate and more.
- *The Animal Kingdom*– Cheeky monkeys get ready to hop aboard on our safari adventure of exploring the outdoors, jungles and even some farmyard fun with storytelling, songs, puppet shows, crafts, animal sounds, flashcard games and more.
- *Knights and Princesses* - Polish your Tiaras and swords we are entering a world of fairy tales and searching for the happily ever after. Expect lots of singing, group activities, flashcard and vocabulary games and the little knights and princesses will even be taking part in the spectacular fairy tale performance.

6-7 years old:

- *Pirates and mermaids* – Ahoy, mateys! It's time for some pirate fun! Let's set sail for an under the sea themed week including a range of fun marine themed activities such as a dress up day, role-play performances, singing and dancing, board games and more.
- *Adventureland* – This week the students compete in a competitive world of sports themed activities including The English School Olympics, obstacle courses, carnival day and lots of team building activities which allows the students to get comfortable communicating with other people through English.
- *Wildlife and Jungle Safari* – Hop aboard on an adventure of exploring the animal kingdom with storytelling, songs, puppet shows, crafts, animal sounds, flashcard games and more.
- *Witches, Wizards and Aliens* – Get ready for lots of wand waving as we explore the magical world of Harry Potter in our unique Harry Potter classroom. We will also be exploring outer space and beyond so prepare to launch the rockets as the students will be performing The English School's got Talent Show in space.

8- 9 years old:

- *Around the World* – Get your passports ready as we travel around the world to learn about different countries and cultures. Our explorers will enjoy some themed days such as animal Kingdom, under the sea and Outer Space days.

- *Superhero* – Grab your capes because we are calling all Superheroes to our academy for a fun filled week of crime solving action and mystery; create your own super powers, and themed days such as spy day, Disney day and a trip to Hogwarts can be expected in our Harry Potter classroom.
- *Adventureland* – This week the students compete in a world of sports themed activities including The English School Olympics, obstacle courses, carnival day and lots of team building activities which allows the students to get comfortable communicating with other people through English.
- *Talent week* – This week our students are showing off their skills while exploring their creative side and learning about different talents whether it's musical, artistic or intellectual. They will take part in The English School's got Talent Show with judges, hosts and participants. They can also expect to participate in some activities such as a quiz, karaoke, English grammar Knowledge activities and test their abilities at our casino themed day and more.

11-12 years old:

- *Outer Space* – Aliens beware, our students are coming to explore the galaxy with this science based week. Prepare to travel around the solar system with some fun experiments, crafts, story- telling, alien interviews and more.
- *Adventureland* – This week the students compete in a world of sports themed activities including The English School Olympics, obstacle courses, carnival day and lots of team building activities which allows the students to get comfortable communicating with other people through English.
- *Magic week* – Get your wands ready because '*you're a wizard, Harry*'. Prepare to enter the wizarding world of Harry Potter. Students really feel like they are in Hogwarts in our Harry Potter classroom and can enjoy acting out scenes from the film, creating their own spells and making potions and a lot more magical themed activities.
- *Talent week* – This week our students are showing off their skills while exploring their creative side and learning about different talents whether it's musical, artistic or intellectual. They will take part in The English School's got Talent Show with judges, hosts and participants. They can also expect to participate in some activities such as a quiz, karaoke, English grammar Knowledge activities and test their abilities at our casino themed day and more.
